Oncology at PRHC

At Peterborough Regional Health Centre, our Cancer Care team provides an interprofessional approach to the assessment, treatment, follow-up and support of cancer patients and their families. As part of the Central East Regional Cancer Program, our program works in partnership with the Durham Regional Cancer Program (based in Oshawa) to provide cancer services closer to home.

PRHC's Cancer Care program provides the following services:

- Cancer Care and treatment for patients in the Peterborough, Haliburton, and Kawartha Pine Ridge areas
- Cancer assessment, counseling, and follow-up
- Oversight by a General Practitioner of Oncology
- Chemotherapy treatment
- Radiation and Medical Oncology services in partnership with the R.S. McLaughlin Durham Regional Cancer Centre
- Supportive care through telephone contact for patients and their families
- Information and education regarding cancer prevention, screening, early detection, cancer treatment/management of side effects and available cancer care services
- Social Work and nutritional assessment and support

The opportunity

PRHC is currently seeking a full-time Manager to plan, coordinate, and monitor the smooth operations of the Oncology program. The Manager will facilitate best practices with respect to patient focused care within PRHC and will lead and support operations in the department on a day to day basis.

The team

PRHC's Cancer Care team includes Medical and Radiation Oncologists, Registered Oncology Nurses, Social Workers and Dietitians. Our team also includes supportive and knowledgeable volunteer support staff, along with many community partners such as the Canadian Cancer Society, Hospice Peterborough, Peterborough County - City Health Unit, and the Peterborough Community Access Centre.

Working at PRHC

Peterborough Regional Health Centre (PRHC) is a state-of-the-art regional hospital with a proud local history extending back more than a century.

Funded by the Province of Ontario through the Central East Local Health Integration Network, PRHC opened a new, single facility in 2008, serving a population of 600,000 people in Peterborough and the surrounding region, including the First Nations of Curve Lake, Alderville and Hiawatha.

With a capacity of 494 beds, PRHC has one of the busiest Emergency Departments in Ontario, and offers an extensive range of services, including specialized programs in cardiac care, cancer care and vascular surgery.

The Health Centre is also the region's largest employer, with more than 2,200 staff, 400 physicians with privileges, and 600 volunteers.

As a member of the PRHC team, you will be part of an exceptional working environment – a forum to share knowledge, to learn, to develop talents, relationships and careers, and a culture that recognizes and rewards the achievements of its people.

PRHC is an accessible workplace, and an equal opportunity employer.

For more information about our programs and services, please visit our website at www.prhc.on.ca.

Work. Play. Live.

In Peterborough, you'll be as close to the great outdoors as you are to work, schools and other amenities. Here, we boast all the conveniences and comforts that an exceptional quality of life demands. Here, you can have it all.

Just 90 minutes from downtown Toronto by car, Peterborough is a unique community unto itself, an established entity with a rich heritage, a thriving culture, and a bright future. Home to Trent University and Fleming College as well as a burgeoning business sector, the opportunities here abound.

Peterborough offers a unique blend of outdoor pursuits and urban amenities right at your doorstep. Our arts and culture community is renowned for its exceptional events, exhibitions and performances, and the city offers a wide array of multicultural cuisine, local cafés, and unique shops and services.

Manager, Oncology

Reporting to the Director, Regional Renal, Metabolic and Oncology Programs, the Manager, Oncology is responsible for program development, planning, coordinating and monitoring the smooth operation of the Oncology program. S/he is accountable for the operations, quality/risk, human resource and fiscal management of the Oncology portfolio. In collaboration with the Director, Medical Director and working closely with the Pharmacy manager and other stakeholders, she/he will ensure that evidence informed practices and relevant standards are implemented and maintained. The Manager will participate in the development of policies and procedures and in the development of the Oncology program in accordance with CCO -Cancer Care Ontario / CE LHIN Regional Cancer Program standards, PRHC's strategic initiatives and objectives including meeting industry professional practice and quality standards (i.e. Canadian Health Services Accreditation Standards (CCHSA), College of Nurses of Ontario (CNO)). She/he will be responsible for quality improvement programs, patient and staff safety programs in collaboration with the Director and front line staff.

Building sustainable relationships with internal and external stakeholders is a key expectation. The Manager will work with the departmental leadership team to ensure optimal utilization of available resources and is a member of the leadership team. In addition to supporting the PRHC Oncology program, the Manager will work in collaboration with the Central East Regional Cancer Program management and physicians.

Qualifications:

- Baccalaureate degree in Nursing, Health Administration or other applicable program
- Current registration with the College of Nurses of Ontario (in good standing) or other applicable regulatory college
